Welcome to Talkspace

What is Talkspace?

Talkspace is an online therapy platform that makes it easy and convenient for you to connect with a licensed behavioral therapist — from anywhere, at any time. With Talkspace, you can send unlimited text, video and audio messages to your dedicated therapist via web browser or the Talkspace mobile app. No commutes, appointments or scheduling hassles.

To get started messaging a therapist:

- Visit your organization's secure landing page.
- Tell us your unique needs and preferences for therapy.
- You'll be shown three potential providers based on your preferences.
- Choose a therapist and begin messaging the very same day.
- Remember: There's no limit to the number of messages you can send your therapist each day.

After you sign up:

- Use your free sessions: One week of therapy counts as one visit.
- You'll continue to message the same therapist unless you request to change providers.
- Your therapist will reply to you daily, during his or her business hours — five days a week.
- You'll never need to make an appointment or reschedule it because something came up.
- Whether on the go or at home, you can access Talkspace securely via your web browser or mobile app.

Taking care of your mental health can help you live a happier, healthier and more productive life — both on and off the job.
